

Dear Parents,

At B'nai Shalom, we recognize that the cost of a private school education may create a significant financial challenge for some families. We are committed to making a B'nai Shalom education accessible to as many families as possible. B'nai Shalom offers a program that helps more families attain our Jewish Day School Education. We accomplish this through an Index Tuition method. Indexed Tuition matches each family's tuition level to their unique financial situation, thus making a B'nai Shalom education affordable to as many qualified students as possible.

B'nai Shalom uses FACTS, a trusted third party service, to determine the fair share of tuition that is appropriate for each family's financial situation. Families will use this confidential online system to fill out an application and upload required documents. This information, along with a written statement from each applicant, is what is used by the Index Tuition Committee to calculate each family's tuition.

Families that choose not to apply for their personalized indexed tuition will pay tuition at the top of the index, while families that do apply will pay somewhere on the index. Indexed Tuition does not include activity fees, which are \$75/child for PS2/3 through Pre-K, and \$95/child for K through 8th grade. All financial information you provide will be held in strict confidence.

To begin this process log on to <http://online.factsmgt.com/signin/3RL6F>.

FACTS provides support for families as they go through this process, including 24/7 in-house customer service number- (866) 441-4637 and a customer service link with FAQ's at the bottom of the front page of the application. There is a one-time fee of \$30 which is payable online.

Should you have any questions regarding the financial aid policy, please contact me at 336-855-5091, ext. 7648 or cherman@bnai-shalom.org.

Sincerely,

Caryn Herman
